**HOLD  
MY VAN**

**SAVE  
MY SEAT**

**PHYSICAL  
DISTANCING**

## **WE'RE HERE TO HELP**

The METRO Star Vanpool program continues to provide our commuting services to the eight-county region throughout the COVID-19 pandemic.

We're making sure our essential workers can get to their destination safely, while assuring our other customers that we will be here when they're ready to get back on the road. Our "Hold My Van" or "Save My Seat" options will help avoid additional financial burdens associated with a service that you may not need right now, or for when your group has fewer participating riders to share the cost.

New and returning vanpool participants can expect a sanitized vehicle, with carefully thought out physical distancing parameters put in place.

With so many new concerns you may be facing, safely returning to your workplace, doesn't have to be one of them.
