

BRAZOS TRANSIT DISTRICT
#SitSafe

The safety of our passengers is the top priority for the Brazos Transit District. This is why we're taking extra precautions on each and every route. Please note the following safety procedures presently in effect.

Disinfecting and Sanitizing Schedule

All vehicles and facilities are thoroughly sanitized at least twice a day. Frequently touched surfaces are disinfected throughout the day.

Personal Protective Equipment

Hand sanitizer and masks are made available to all drivers and riders.

Social Distancing

Brazos Transit has installed protective shields for drivers on all buses and smaller vans. Temperature checks have been implemented for all drivers in the morning before scheduled shifts and seating has been reduced to comply with social distancing guidelines.

Free Mobile App

Download RideBTD today and view live route maps and bus locations. For more information visit BTD.org or call 979-778-0607.
