

CONNECT TRANSIT
#SitSafe

The safety of our passengers is the top priority for Connect Transit. This is why we're taking extra precautions on each and every route. Please note the following safety procedures presently in effect.

Disinfecting and Sanitizing Schedule

Connect Transit suspended fare collection, and thoroughly cleans all vehicles at least twice a day.

Personal Protective Equipment

Hand sanitizer, masks, and gloves are being made available to all riders and drivers.

Social Distancing

Connect Transit has installed protective shields for drivers on all buses and smaller vans. Temperature checks have been implemented for all drivers in the morning before scheduled shifts and in the evening after shifts have been completed.

More information

For more information visit GulfCoastCenter.org and select "Connect Transit" or call 409-945-0820.
